INSTRUCTIONS FOR REINSTATEMENT OF LICENSURE

Our records indicate that your Idaho nursing license has lapsed for more than one year for non-payment of renewal fees. The following documents must be on file with the Board of Nursing to determine your eligibility for reinstatement in Idaho: (All documents become the property of the Board and may be destroyed without further notification if the application is not completed within one year.) Documents requiring notarization may NOT be accepted by FAX. *If you were not previously licensed in Idaho - STOP - contact this office for appropriate instructions.*

APPLICATION FORM. Only reinstatement applications provided by the Board, completed in ink and notarized will be accepted. Photocopies or Faxed copies of application forms will not be accepted.

- 1) If all information requested is not supplied, provide an explanation for the omission.
- 2) Sign the affidavit with your usual signature and have it notarized.
- 3) Attach a 2x2 identification photograph, taken within the last year. Electronically scanned photos are not acceptable; features must be clearly identifiable. Black & white or color photos are acceptable.

FEE. Enclose the appropriate reinstatement fee of **\$125.00** (personal checks are accepted). A temporary license is available for an additional \$25.00 fee. To be eligible, you must meet one of the following criteria and complete the proper procedure:

- a. A temporary license may be issued to a person whose Idaho license has lapsed for more than one year, but less than three (3) years.
- b. Applicants currently licensed in another state must submit a notarized copy of the current out-of-state licensure certificate

Temporary licenses CANNOT be issued on expired, inactive, non-practicing certificates; temporary licenses from other states; or certificates not issued in your current name unless accompanied by a Change of Name Affidavit (available from this office) or a copy of your marriage license or divorce decree or other legal document indicating name change. If your name is now different from the one you were using when your Idaho license was last active, a Change of Name Affidavit or appropriate documentation must be provided. If you have any questions regarding the name on file in our office you may contact us by telephone.

CENSUS QUESTIONNAIRE. Complete the enclosed Census Questionnaire and return with your completed application.

EMPLOYMENT REFERENCE. A satisfactory nursing employment reference from the three-year period immediately preceding the application is required. The employment reference may be faxed to this office (208/334-3262) or mailed directly to the Board of Nursing by the employer. References will not be accepted from the applicant. **This form is not required to be on file in order to issue the temporary license.** See instructions on form. If you have not been employed in nursing within the last three years, do not complete the reference form. You may be required to obtain a conditional temporary license in order to update your nursing knowledge to qualify for Idaho licensure. Please contact this office if you wish to discuss this requirement further.

FINGERPRINT CARD. Complete the required Fingerprint card and submit to the Board for processing. Only cards from the Board office are acceptable - **fee for processing - \$34.00.**

BE ADVISED: Licensed professional nurses and advanced practice professional nurses must renew their license(s) by August 31st of every odd-numbered year, and licensed practical nurses must renew their license by August 31st of every even-numbered year. A nurse who applies for licensure on or after March 1st of the year in which the license would normally be renewed will be issued a current license valid until the following renewal period.

NURSING LICENSURE INTERSTATE COMPACT

Dear Applicant for Licensure by Interstate Endorsement or Reinstatement:

On July 1, 2001, Idaho became a member of the Nurse Licensure Compact. Other states include Arizona, Arkansas, Delaware, Iowa, Maine, Maryland, Mississippi, Nebraska, New Hampshire, New Mexico, North Carolina, North Dakota, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, and Wisconsin.

Under terms of the Nurse Licensure Compact, nurses may hold a license to practice issued by their state of residence, if that state is a Compact state, and are granted the privilege to practice in other Compact states without holding separate licenses in those other states. If you reside in a Compact state, you may hold a Compact state license only in your declared state of residence; you may not be licensed in any other Compact state. If you reside in a state that is not a member of the Compact and you apply for licensure to practice in any Compact state, you will be issued a license by the individual Compact state that will be designated as valid for practice only in that state.

If you are applying for licensure in Idaho and indicating a mailing address in another Compact state, it is imperative that you inform the Idaho Board as to which scenario best suits your particular situation, to ensure that appropriate procedures are followed in issuing your Idaho license or in directing you to contact the appropriate state(s) to apply for and receive a license.

Please note, if you are in the process of moving to Idaho and declaring Idaho as your state of residence, you must provide the Idaho Board with an Idaho address within 30 days of relocating to this state. Upon notice of address change, licenses held in any other Compact state will become invalid.

More information regarding the Nurse Licensure Compact is available on the National Council of State Boards of Nursing web site at <http://www.ncsbn.org>. If you have questions about your application, please contact the Board at (208) 334-3110 ext. 21.
